Advanced Security Operations Command for Senior Officers

Schedule Dates:

Start Date	End Date	Place
19 Jan 2026	23 Jan 2026	Dubai – The H Hotel

Program Introduction:

This advanced program is designed for senior officers responsible for leading, coordinating, and managing high-level security operations. The course provides a comprehensive framework for command-level decision-making, operational planning, threat anticipation, crisis response, and strategic oversight of security teams. Participants will gain modern methodologies, intelligence-driven approaches, and advanced command techniques required to navigate complex and evolving security environments. The training blends practical scenarios with leadership strategies to enhance operational readiness and organizational resilience.

Program Objectives:

- ✓ Apply advanced security command principles in high-pressure operational environments.
- ✓ Lead multidisciplinary security teams with clarity, authority, and strategic vision.
- ✓ Utilize intelligence and risk-analysis tools to make informed, high-impact decisions.
- ✓ Develop and execute efficient operational plans for high-risk scenarios.
- ✓ Manage crisis events, emergencies, and large-scale incidents with structured command systems.
- ✓ Enhance coordination between departments and external agencies during operations.
- ✓ Strengthen incident reporting, evaluation, and continuous improvement capabilities.

Who should attend?

- Senior security officers
- Commanders and team leaders in security divisions
- Security operations managers
- Officers responsible for crisis management and incident response
- Supervisors overseeing high-risk or sensitive security units
- Candidates preparing for command-level roles in security organizations

Program Outlines

Day One

- Fundamentals of Command-Level Security Operations
- Leadership Principles for Senior Security Officers
- Building an Intelligence-Driven Security Framework
- Risk Profiling and Threat Assessment Techniques
- Operational Planning for High-Risk Environments

Day Two
