Fire Emergency Response Plan & Preparedness

Schedule Dates:

Start Date	End Date	Place
19 Feb 2024	23 Feb 2024	London - Hilton – Kinsington Hotel

Program Introduction:

Emergencies and disasters can occur any time without warning. The more a corporate is prepared for emergency, the better they will be able to act, minimizing panic and confusion when an emergency occurs. The purpose of this training is to help employers develop fire emergency response plans that will meet the specific needs of their businesses. This program trains fire members to handle various emergencies by developing Emergency Response Plan (ERP), understanding Emergency Procedure and executing Incident Command System (ICS) during disaster.

Program Objective:

- ✓ Prepare contingency plans for future crises
- ✓ Plan and prepare effective emergency plans
- ✓ Develop the hierarchy of commands
- ✓ Understand fire Evacuation & Emergency response procedures
- ✓ Lead and contribute directly in the event of emergency
