ISO 9001-2008 TRAINING PROVISION CERTIFIED

Hsse Gap Analysis & Action Planning

Schedule Dates:

Start Date	End Date	Place
25 Aug	29 Aug 2024	Egypt – Hilton Ramsis Hotel

Program Introduction:

Health, Safety, Security, and Environment (HSSE) management is a critical aspect of organizational operations across various industries. This training course on "HSSE Gap Analysis & Action Planning" is designed to equip participants with the knowledge and tools needed to conduct comprehensive gap analyses within their HSSE systems. By identifying areas of improvement and developing actionable plans, participants will enhance their organization's compliance with HSSE standards, reduce risks, and promote a safer, more secure, and environmentally responsible workplace.

Course Objectives:

- ✓ To provide a thorough understanding of HSSE management principles and standards.
- ✓ To teach participants how to conduct a comprehensive HSSE gap analysis.
- ✓ To equip participants with the skills to develop effective action plans to address identified gaps.
- ✓ To enhance participants' ability to monitor and continuously improve HSSE performance.
- ✓ To promote a culture of proactive HSSE management within organizations.

Who should attend?

- HSSE Managers and Coordinators
- Safety Officers
- Environmental Health and Safety (EHS) Professionals
- Risk Management Professionals
- Facility Managers
- Operational Managers
